Dear Families:

VPC is running **Summer Tots Camp** for new children that will be attending school in September. Summer Tots will expose the children to the daily routines of the classroom while engaging them in French, reading and math readiness, art, science, drama, music, movement and more.

From our many years of experience, having your child attend summer camp can help make the transition to school in September go much smoother for the child and their grownups.

Our summer camp begins Monday, June 17th and runs through Thursday, August 1st. Camp has been divided into 2 enrollment sessions and will run in the morning from 9:00am – 11:50am, with either a Monday/Wednesday or a Tuesday/Thursday schedule. We are offering only 2 days so that all families may have a chance to enroll. If space is available closer to the beginning of camp, families will be able to enroll for additional days. There will be no camp on Fridays.

Please reserve your child's space for summer as soon as you know your plans. The programs do fill quickly.

To enroll your child for June, July and/or August, please read the following policy and fill out the attached form:

- 1. You have up until May 1st to finalize your child's schedule. No changes will be allowed after this date unless you are adding a session.*
- 2. 50% of camp tuition is due upon registration with the balance due 05/01/19. If you cancel prior to 05/01/19, you will receive your deposit less a \$100 administrative fee. There will be no refunds or schedule changes allowed after May 1st.*
- 3. Please submit your child's health form with the summer camp form.*
- 4. Please note balance must be up to date in order for your child to attend our Summer Camp.*

To fill out the form:

- 1. Check the sessions you would like your child to attend.*
- 2. Total the amount due **including the \$75 registration fee** and send back the form with a check payable to Village Preschool Center. Half the camp fees are due upon registration and the balance is due 05/01/2019.*
